

APPLY FOR EXCHANGE OR STUDY ABROAD WITH VICTORIA UNIVERSITY, MELBOURNE

You will need to [log in to your account](#) or [create a new account](#) to the International Admissions Centre. When you create a new account, you will need to activate it and create a password.

When you're logged in, click Create Application. You will need to choose your Application Form:

- Incoming Exchange
- Study Abroad

Both of these applications are for students currently studying overseas who want to come study at VU Melbourne.

Study Abroad

Incoming Exchange

Outbound Semester Exchange

Outbound Short Program

Inbound Exchange students pay no fees directly to VU, whereas Study Abroad students do. You should discuss your application type with your home university, as they will also need to nominate you to study at VU.

You must select your home institution/university from our list. If your home institution is not on our list, please [contact us](#). After you have picked your institution, click Create Application.
